

Make Your Own Jigsaw Puzzle!

Big Pieces

Instructions:

1. Color your own picture over the shapes.
2. Cut the shapes out.
3. Challenge someone (or yourself) to put the puzzle back together!

Tips:

If trying to match up pieces of paper is a little tough, you can try these things:

1. Print this out on cardstock.
2. Glue this on to a piece of cardstock, then cut out once it is dry.
3. Print this on a sheet of 8.5x11 label paper. (example: Avery #5265) Then affix to card stock, color and cut out.
